Summer Math and Reading/Practice

- IXL (per week): 1 hr. practicing Math; 1 hr. practicing Language Arts.
- Please continuously practice your multiplication facts, as well!
- Read 1 books this summer! You have one book to read for this summer, which you'll take an AR test the first week of instruction. Please feel free to read more books if you can! *"The more you read, the better you get at it"*-James Patterson
- Journal Entries (1 per week): Students will get a composition notebook. Each week they are to write a journal entry. Each journal entry should be at least 1 paragraph long (5 sentences). Attached are writing prompts they can choose from. They need to have at least 9 journal entries in their notebook. They are required to do only 1 per week, but if they do more that is great! Please have them pace themselves and not write the journal entries all at once! Consistent writing practice throughout the summer will help them remember their writing skills, so they are ready for the incoming school year.
- Summer Reading Book: *The One and Only Ivan* By: Katherine Applegate

Summary: Ivan is an easygoing gorilla. Living at the Exit 8 Big Top Mall and Video Arcade, he has grown accustomed to humans watching him through the glass walls of his domain. He rarely misses his life in the jungle. In fact, he hardly ever thinks about it at all.

Instead, Ivan thinks about TV shows he's seen and about his friends Stella, an elderly elephant, and Bob, a stray dog. But mostly Ivan thinks about art and how to capture the taste of a mango or the sound of leaves with color and a well-placed line.

Then he meets Ruby, a baby elephant taken from her family, and she makes Ivan see their home—and his own art—through new eyes. When Ruby arrives, change comes with her, and it's up to Ivan to make it a change for the better.
