Mr. Andre Villegas, Principal

February 25, 2020

Dear Beatitudes Families:

Beatitudes of Our Lord School is committed to providing our students with a quality well-rounded Catholic education including spiritual and social growth which will give them an advantage for life.

Our students are recognized for their outstanding performance in areas of academics, art, and athletics as well as gaining the respect of the community by displaying exceptional conduct including attitude, actions and mindset.

Currently enrolled students receive priority consideration when registering for the next year. The pastor and principal will review a student's continued eligibility for enrollment. The final decision for admission is the prerogative of the administration.

Because we have much interest in new enrollment, and we have waiting lists for some grades, we ask that you complete and return this form by March 15th so that your currently enrolled child's spot is not given away. Beginning March 16th, classes will be filled on a first come, first served basis.

Thank you for partnering with Beatitudes in educating your child to become faithful, responsible, productive citizens. I am looking forward to seeing God work in the lives of our students and their families this year!

Sincerely,

Andre Villegas, M.Ed.
Principal
