

FOOTBALL MANIA 2021-22

Once again, due to popular demand, Beatitudes of Our Lord School is implementing the fundraising experience based on professional football, FootballMania. Each family will be given a set of 6 tickets. These tickets were already paid for when you registered, so when you sell these tickets to your family and friends, you keep the \$25 you collect. We have logged the tickets purchased and assigned to you; however, if you sell a ticket, the buyer of your ticket MUST complete and return the game stub card at the bottom of their ticket so that we can keep track and mail any winnings to them.

Beatitudes of Our Lord School is a member of the Guaranteed Winner Program, which means that we will have at least one guaranteed winner per week from our collection of tickets. Remember you use the same tickets each week to play.

How are your tickets activated you ask? We will activate your tickets for you. Since they have already been paid for, your 6 tickets will already be activated prior to the first game of the season. CharityMania headquarters will notify Beatitudes of Our Lord School each time there is a winner, and we will announce the winner(s) each week. You can also keep track of your points by downloading the CharityMania app or visiting www.charitymania.com, enter your FootBall Mania card code number into the box after all the games have been played for the week, and your totals for the week will pop up!

What if you run out of tickets to sell and you want more? Don't worry, we have extra unactivated tickets in the office. If you'd like to sell more tickets, just buy them from us, we'll activate them for you, and you're ready to go. It's really that simple!

The first game will begin September 9 and the first winner announced for week 1 on September 13. What if the Football season is postponed or canceled this year? Don't worry, CharityMania has contingency plans in place for both scenarios.

1. If the NFL pushes back the season but plans to play all games, then CharityMania will adjust their schedule accordingly and calculate winners on the new dates provided by the NFL.
2. If the length of the NFL season changes and they play fewer than 17 weeks, then CharityMania will use replacement football scores from a random prior season (between 2010-2020) to calculate winners for any canceled weeks of the NFL season. See the CharityMania website for details. The total number of winners, prize money awarded, and odds of winning will not be affected by any schedule changes. All promised prize money will be paid.

This is an exciting way to have fun this NFL season! Good luck!
